I, _____, hereby adopt the above dog. I realize that Mary Corbett has explained all of the past information known to her about the above dog unconditionally both positive and negative. She has also given me her opinion on the habits and temperament of the above dog. I realize that I have a three day trial period which I can return the dog for a full refund. The above dog is not to be transferred to any body else or left at a shelter without the written permission of Mary Corbett. I agree to love, take care of, and neuter/spade (if not already done) the above dog. If unable to do so I will return the above dog to Corbett Creek Farm with no questions asked. I will not hold Mary or Shawn Corbett liable for any damages resulting from the above dog.

This is a legal binding contract on which both parties agree. The dog is sold as is with no warranty or guarantee to health now or in the future. Breeder is available at any time to assist pet owner with questions or concerns.
